Response:

Neveah Ventures Inc (Neveah) is pleased to provide our response in connection with the most recent GAC Category 1 advice detailed in the GAC Buenos Aires Communiqué. We are also providing a response to the NGPC proposed Category 1 Safeguards in the form of proposed PICs that will be part of the new Registry Agreement.

a) With regards to the GAC Buenos Aires Communiqué, while the DotRIP string is not explicitly identified, we believe the requirements that apply to the DotRIP application include: “Item 4. Protection of Inter-Governmental Organisations (IGOs)” and “Item 6. Protection of Red Cross/Red Crescent Names”.

Neveah recognizes the intent to establish permanent protection of IGO acronyms at the second level and we support continued discussions between the NGPC and the GAC in this regard. In the interim, should Neveah continue with contracting for DotRIP prior to a resolution between the NGPC and the GAC, we understand and agree that the initial protections for IGO acronyms will remain in place.

We also recognize that the GAC is giving further consideration to the way in which existing protections should apply to the words “Red Cross”, “Red Crescent” and related designations at the top and second levels with specific regard to national Red Cross and Red Crescent entities. Neveah awaits the specific direction that will ensue.

b) Neveah notes that in the NGPC proposed Category 1 Safeguards, the DotRIP string is explicitly identified in the section: “Regulated Sectors/Open Entry Requirements in Multiple Jurisdictions (Category 1 Safeguards 1-3 applicable)”. In this regard, we are pleased to provide the following specific responses.
