

The Internet is Expanding

Learn how to protect your trademark

Trademark Clearinghouse

The Trademark Clearinghouse is a one-stop solution to help protect a trademark across every new generic Top-Level Domain that comes online

The first stage in protecting your rights is to submit a mark to the Trademark Clearinghouse

Rights Protections

Sunrise Services

Priority access to request domain names associated with your trademark(s)

Trademark Claims Service

Notification to a Rights Holder after registration, allowing for immediate action if the domain registered is infringing rights

20K

20,000+ trademarks already recorded

1 | 3 | 5

Rights holders can record their marks for one, three or five year terms

Submit your Trademark

STAGE 02

AFTER THE DOMAINS GO LIVE

Find out more @ <http://newgtlds.icann.org/urs>

Within 24 hours of a valid complaint, an infringing domain will be locked

Find out more @ <http://newgtlds.icann.org/pddrp>

The Trademark Post-Delegation Dispute Resolution addresses instances where a Registry Operator is complicit in trademark infringement

ICANN and the Internet community are laying the foundation for a broader, more mature Domain Name System

We encourage all Rights Holders to participate in the protections built into the New gTLD Program to mitigate against trademark infringement

To find out more about the **biggest change** to the Internet since it was created visit <http://newgtlds.icann.org>
