Scroll table to the right...

Scrolling the table to the right will reveal three more columns – Application Status, Application Updates, and Objections.

The screenshot shows the ICANN website for New Generic Top-Level Domains. The page title is "New gTLD Current Application Status". The navigation menu includes "About", "Applicants", "Program Status", and "Announcements & Media". The main heading is "New gTLD Current Application Status". There is a search bar with a dropdown menu set to "String" and a "Search" button. Below the search bar is a pagination control showing page 1 of 56. The table below lists applicants with columns for Location, Community?, Geographic?, Primary Contact, Email, Application ID, Application Status, Application Updates, and Objections. A yellow callout box highlights the last three columns of the table header.
