

GAC Advice Response Form for Applicants

The Governmental Advisory Committee (GAC) has issued advice to the ICANN Board of Directors regarding New gTLD applications. Please see Section IV of the [GAC Durban Communique](#) for the full list of advice on individual strings, categories of strings, and strings that may warrant further GAC consideration.

Respondents should use this form to ensure their responses are appropriately tracked and routed to the ICANN Board for their consideration. Complete this form and submit it as an attachment to the ICANN Customer Service Center via your [CSC Portal](#) with the Subject, “[Application ID] Response to GAC Advice” (for example “1-111-11111 Response to GAC Advice”). All GAC Advice Responses to the GAC Durban Communiqué must be received no later than 23:59:59 UTC on 23-August-2013.

Respondent:

Applicant Name	Rise Victory Limited
Application ID	1-1120-95098
Applied for TLD (string)	时尚

Response:

The applicant appreciates the opportunity to provide the response below to the ICANN Board of Directors regarding the GAC's advice concerning the applicant's applied for string 时尚 (VOGUE or FASHION).

时尚 is identified as one of the “Category 1” strings in the GAC Beijing Communiqué under “Intellectual Property” sub-category.

The applicant is confident that the safeguard and abuse mitigation mechanisms proposed in its application will meet or exceed in every aspect of the GAC's safeguard requirements, including:

- Validation of WHOIS data prior to registration; validation of registrant email in grace period.
- Post-registration data quality checking.
- Real time abuse mitigation processes in collaboration with law enforcement.
- Acceptable use policy that defines and prohibits illegal or abusive activity and the consequences of breach, including cancellation or suspension of domain names.

Furthermore, we believe the ICANN-mandated rights protection mechanisms will play a pivotal role in protecting third party rights and the applicant intends to implement and fully comply with those rights protection mechanisms.

Finally, the applicant will honor and implement:

- the public interest commitments applicable to all new gTLDs (as reflected in Specification 11 of the proposed registry agreement); and
- any and all additional public interest commitments that the New gTLD Program Committee of the ICANN Board determines as appropriate safeguards for Category 1 strings.
