AT&T Global TeleConference Services
IT'S NEVER BEEN EASIER TO CALL A MEETING

Conferencing Reservation

Please note, all dial-in participants should quote the conference id to access the call. This will minimize hold times and enhance security. This number is unique to your conference and will aid the conferencing specialists in locating your call quickly and efficiently, without error. Additionally, when hosting an elite call, please have all speakers identify themselves as speakers when dialing in to aid in quicker and accurate conference location.

Important: if you experience any difficulty during the conference, please press *0 on your phone to signal a specialist. the specialists can answer questions real time once a signal for assistance has been requested.
