TLD Application System (TAS) – User Home Screen

This Quick Start Guide provides an overview of the TAS User Home Screen. For more detailed user guidance, see the TAS User Guide at <http://newgtlds.icann.org/en/applicants/tas>.

The Home Page consists of two tabs. The “Home” tab displays this screen. The “Applicant Profiles” tab brings you to another screen that shows a list of Applicant Profiles under your account. You can view applicant profiles from the “Applicant Profiles” tab.

The screenshot shows the TAS User Home interface. At the top, there are navigation tabs for 'Home' and 'Applicant Profiles'. A 'Sign Out' link and the 'NewgTLDs' logo are in the top right. Below the tabs is a 'User Home' header with an 'Actions' dropdown. A green notice states: 'NOTE, THE APPLICANT GUIDEBOOK (AGB) ALWAYS TAKES PRECEDENCE – IF YOU SEE ANY DISCREPANCIES BETWEEN TAS AND THE AGB PLEASE FOLLOW THE AGB.' The main content area is split into two columns. The left column is titled 'My Applications (Refresh Information)' and contains a table of application details. The right column is titled 'Welcome JohnDoe1' and includes a 'Help and Documentation' section with links to the Applicant Guidebook and Customer Service Center.
