

GAC Advice Response Form for Applicants

The Governmental Advisory Committee (GAC) has issued advice to the ICANN Board of Directors regarding New gTLD applications. Please see Section IV, Annex I, and Annex II of the [GAC Beijing Communiqué](#) for the full list of advice on individual strings, categories of strings, and strings that may warrant further GAC consideration.

Respondents should use this form to ensure their responses are appropriately tracked and routed to the ICANN Board for their consideration. Complete this form and submit it as an attachment to the ICANN Customer Service Center via your [CSC Portal](#) with the Subject, “[Application ID] Response to GAC Advice” (for example “1-111-11111 Response to GAC Advice”). All GAC Advice Responses must be received no later than 23:59:59 UTC on 10-May-2013.

Respondent:

Applicant Name	Aremi Group S.A.
Application ID	1-1844-98392
Applied for TLD (string)	.art

Response:

In our response to the GAC advice and as an applicant for the .art new gtld it is Aremi Group's belief that the applied for string is not part of a heavily regulated or professional sector likely to involve a high level of implied trust from consumers so as to require additional safeguards against consumer harm, thus its application should not be specifically included in the “consumer protection, sensitive strings, and regulated markets” category of strings.

We believe our application answers demonstrate our commitment to the general and intellectual property safeguards outlined in the GAC Advice. Aremi Group will take commercially reasonable efforts to implement the general and intellectual property safeguards outlined in the GAC Advice.

Finally, will work with the GAC to implement any further commercially reasonable safeguards that the GAC specifically identifies for Aremi Group’s delegated registry.

Sincerely,
Aremi Group S.A.
