Please see Section IV of the [GAC Durban Communique](#) for the full list of advice on individual strings, categories of strings, and strings that may warrant further GAC consideration.

Respondents should use this form to ensure their responses are appropriately tracked and routed to the ICANN Board for their consideration. Complete this form and submit it as an attachment to the ICANN Customer Service Center via your [CSC Portal](#) with the Subject, “[Application ID] Response to GAC Advice” (for example “1-111-11111 Response to GAC Advice”). All GAC Advice Responses to the GAC Durban Communique must be received no later than 23:59:59 UTC on 23-August-2013.

## Respondent:

Applicant Name	Guangzhou YU Wei Information Technology Co., Ltd.
Application ID	1-1121-82863
Applied for TLD (string)	深圳

## Response:

The applicant appreciates the opportunity to provide the response below to the ICANN Board of Directors regarding the GAC's advice concerning the applicant's applied for string 深圳 (SHENZHEN).

As stated in our response to the GAC Advice in the Beijing Communique, the applicant has been working closely with the Shenzhen Municipal Government over the past few months to address the outstanding issues. Currently the issue is tied with the negotiation of Guangzhou application. As mentioned in the response regarding Guangzhou application, Guangzhou Municipal Government is anticipated to reach its conclusion in a few weeks' time. Once the settlement of the Guangzhou application is finalized, the Shenzhen application will soon follow suit.

While the applicant may not be able to obtain the support/non objection letter by the end of the Initial Evaluation period, we are confident that such letter will be available for submission to ICANN before the end of the Extended Evaluation period.
