Re: 50 504 T 00253 13

Charleston Road Registry Inc.

vs

Amazon EU S.à r.l.

After careful review of the parties' comments, and pursuant to Article 11(g) of the New gTLD Dispute Resolution Procedure, it has been determined that the Applicant is deemed to be in default as it has failed to file a timely Response to the Objection. Therefore, the Objection shall be deemed successful.
